

BENTON Homebuilders

To Whom It May Concern,

We are extremely happy with ProHome's warranty service. They do an excellent job communicating with us and our customers during the warranty process. The ProHome staff is knowledgeable and accessible, and their warranty materials are clear and easy to understand. Having ProHome administer our warranty has brought value to everyone involved in the process.

I strongly recommend ProHome.

Sincerely,

A handwritten signature in black ink, appearing to read "William Levinson", with a long horizontal flourish extending to the right.

William Levinson
